ALL GME PUBLICATIONS WILL BE AVAILABLE FOR PURCHASE SOON!

GME is excited to announce that all publications pertaining to the Dominican Republic projects as well as some of the Cape Canaveral publications will soon be available for purchase by the general public. These books are a great educational and reference tool for historians and archeologists and we are excited to finally release them for all to enjoy!

Please visit Lulu.com and type Nevermind Publishing or GME into the search field, check back often as new titles are being added regularly.

Publications can be purchased individually or as a complete set beginning this spring. All publications will be made available to educational institutions at cost.
